

A TASTE OF CORNWALL

Bitesize

Using aircraft, of all sizes, to connect places of interest around the world is the dominant principle of Escorted Journeys by Air. Traditionally, these tend to be trips of 3 to 4 week duration which doesn't always fit everyone's plans. So we have introduced our innovative Bitesize collection.

The Bitesize collection includes all the benefits of a privately chartered aircraft in flexibility, choice and peace of mind but also considers trip duration, and to some extent destinations, as a deciding factor. A Bitesize journey is from 3-9 days long and is typically suited to smaller groups of up to 16 people. The program can be sold as a total package for a family or a group of friends, alternatively seats can be sold individually. Accommodation will mainly consist of smaller, boutique style hotels and lodges.

Destinations are unlimited, we suggest to combine remote destinations as well as including interesting experiences. Have a look at our sample itineraries but bear in mind, the world's your oyster when curating itineraries and we would love to help.

A Taste of Cornwall

Cornwall is a county on England's rugged southwestern tip. It forms a peninsula encompassing wild moorland and hundreds of sandy beaches, culminating at the promontory Land's End. From England's East, say London, it is four and a half to 5 hour drive to Padstow. More if Land's End is your goal. Apart from incredible scenery and sites of Poldark fame this part of England is also known as a foodie paradise and our Taste of Cornwall will showcase some of what is available.

Day 1 | Fly to Newquay Airport

Our private aircraft will depart at 2 pm for our flight of just over an hour to Newquay Airport just south of Padstow. Weather permitting you can enjoy the birds eye view of England. Upon arrival we will take our luxury minivan to travel to Rick Stein's St Edmunds House Hotel for our 2 night stay. Your luggage will be taken to your room, time to freshen up and perhaps wander the picturesque town of Padstow before enjoying pre-dinner drinks.

Dinner this evening is at Rick Stein's flagship restaurant, The Seafood. Opened by Rick Stein and Jill Stein in 1975, The Seafood Restaurant in Padstow is famous for establishing an international reputation for the very freshest fish and shellfish, often landed on the doorstep. Head Chef Pete Murt and a team of chefs create simple seafood dishes with classic flavours using Rick's recipes.

Day 2 | The Isles of Scilly

Following breakfast we are transferred to Newquay Airport to join the Skybus to St Mary's one of the Isles of Scilly. Upon arrival you will be given the keys to a golf buggy* allowing you to explore St Mary's at your own pace. Around mid-day we have booked the famous Lobster Lunch at Holyvale Vineyard followed by a wine tasting. Following lunch you might want to explore more of St Mary's before heading back to the airport for our flight to Newquay with onward travel to Padstow.

This evening we will enjoy another magnificent dinner as we make our way to the chef's table at Mahe one of Paul Ainsworth's latest openings. The chef's table is an exclusive opportunity to gain insight into the creative process of dish development, with the chance to sample new dishes before they reach the menu at Paul Ainsworth at No6. Sitting just centimetres away from the kitchen, you can watch John and his team prepare and serve an eight-course menu of modern British gastronomy, crafted from meticulously sourced, seasonal Cornish produce.

Day 3 | Return home

All good things come to an end as they say and after an incredible time in this beautiful part of England we will return home. Having our private aircraft does mean we don't have to leave early and can enjoy Padstow and a simple fish and chips lunch at Chip Ahoy (best fish and chips in Padstow!) before returning to Newquay where our aircraft is waiting to take us back.
