Our Founder, Gary Bartelings, started his travel career in 1987 with Qantas Airways in Amsterdam. This was followed by time with Qantas Holidays, APT in the UK and Germany and later on Captain's Choice in the UK and Australia. During the last 12 years he developed his expertise in private jet charter. This has included itinerary development, marketing strategy development and implementation, pricing, aircraft sourcing and evaluation, crew training, Customs and Immigration access negotiations and on-tour management and delivery.

Gary has created a significant network of highly trusted and experienced global contacts, who he can personally draw on to ensure the creation of fantastic holiday experiences for your customers.

His mantra is that **“the customer is central to all our decisions”**.
