Phone : +27 (0) 82 6014455

Richard graduated from the Institute of Marketing Management (IMM). He also holds a Commercial Pilots Licence and is a former Flight Instructor. He has flown corporate, tourism and safari charters across most of Sub-Saharan Africa for a diverse client base.

The company offers a fleet of turbo props, executive jets and Boeing 737's enabling a broad range of airlift solutions. The largest group charter to date accommodated 364 passengers from Johannesburg to Mauritius.

His wealth of knowledge regarding aircraft types and operations throughout the region has created trusted, longstanding client relationships.

Together with Vivienne Barberis he co-founded Cardinal Air Services in 2005, specialising in private air charter services across Southern and East Africa, as well as the Indian Ocean Islands.
